Dear Mr. Petersen and Ms Chandra,

For the past twenty-four years the Academy of Motion Picture Arts and Sciences and the Academy Foundation, in association with the UCLA Film and Television Archive, has presented a series of film programs featuring the outstanding documentaries of the previous year. This program grew out of the deep concern of the Academy's Documentary Committee over the sometimes lack of public exposure which is often the fate of too many documentaries of genuine merit.

This year we continue Part 1 of the Academy/UCLA series from October through December at the Academy's own Linwood Dunn Theater in Hollywood. From January to March 2006, Part 2 of the series moves to UCLA's James Bridges Theater on their Westwood campus.

Your film, *LET THE CHURCH SAY AMEN*, was considered by the Academy's Documentary Screening Committee to be one of the outstanding documentaries of 2004. It is our wish to invite you to include a screening of your film in this prestigious series on the evening of **Wednesday, November 9, 2005**.

There will be no admission charged for the series, which will be well publicized to area schools, colleges and the general public. Illustrated brochures containing a summary of the film and credits for the director, writer and distributor will be widely distributed to the Academy's public mailing list, the Academy's membership list and UCLA's public mailing list (a total of about 30,000 names).

We would also like to encourage your attendance at the screening of your film. If it is possible for you or any other key member of your crew to be present at the screening, please let us know and we will arrange to introduce and host a brief audience question and answer period following the screening.

Since the schedule for this year is in the planning stage and is dependent on word from filmmakers such as yourself concerning their desire to
